KANSAS AND OREGON. Probably no state west of the Mississipprious times translated in bank or bane, is of French been so thoroughly and widely advertised for origin. It was exclusively used to denote the the inducement of immigration as Kansas, sittings of the English court of common bench. And it is certain that no state has increased but is now constantly applied to any superior proportionately so rapidly during the past court of law, to denote the full court sitting at proportionately so the and population. Dur- its regular law terms for the hearing of arguing the decade ended in 1880 over 600,000 people came into the state, most of them attracted in Hist porter. or a tircuit court, held for the by the tales of countless acres of grain lands trial of cases before a jury. To use a different open for free settlement, its rich seil and mar-phrase, a court of appeals, as distinguished velous climate. Few states have been so en- from that in which the case was originally thusiastically advertised by their residents; tried. In Guitean's case, the court in hanc is and apparently those who once entered her the supreme court of the District of Columbia. boundaries were fain to be content with their It is composed of a chief justice and five assolot in this new Utopia. Five years ago the class instices, of whom Judge Cox is one. suggestion of laaving Kansas for a more Scoville's appeal may come before the whole favored region would have been rejected with court, which may review the operations of the scorn by fully nine-tenths of the population. trial, the rulings, &c., and, if it deems proper, But within the past few years there has been may order Guiteau retried by jury, if it be an increasing tendency to lose faith in the bril- found that injustice has been done him. liant future of that state and seek for other locations. This tendency is shown by the Two bundred people, creditors of Arch-

every point presenting any supposed advanwas filled with dreams of the future. Excitement and speculation were in the very air, and all seemed imbaed with their spirit. People poured in and the country filled up, but it was soon found that the resources of the state were purely agricultural, and that it must always remain the market garden of Chicago and other large cities of the east. The gilding once wors off the picture, the bare fact remained that Kansas was an inferior state in many respects, and must always remain so. Diversity

threatens to become almost unanimous.

of industries, so necessary to the accumulation of wonlth by a state, is practically impossible in Kansas. She has no timber, and no water power to speak of. A little coal in the castern half of the state comprises the bulk of her mineral wealth, while by her inland position and lack of navigable waters she can never attain a commercial position. On the contrary, Oregon has all of these ad-

NEXT YEAR'S WHEAT SUPPLY. Next year's wheat market is the subject of a the government. eat deal of speculation and hone, not only here but in the cast, and commercial journals are collecting data from all wheat growing countries of the world. The New York Commercial Bulletin dealing with the matter, mays. The fact that Europe is now drawing has obtained a good many facts and will precereals from all zones will have a great tendency to squalize the American wheat market. This month of February secutthe wheat harvest almost finished throughout Australia, and beginning in New Zealand, Chili, and other Bonth American countries. In February the harvest begins in Egypt and the East Indies. There is therefore little room for obtaining higher prices in the future because of the dominator of the grain market which the A serious famine exists in that part of Illimany, where it comes into competition with scason. Hungarian and Galician. The stocks of wheat

GOOD COUNTRIES TO LEAVE.

The load of expense and the amount of labor divorted from usoful channels are fearfully exemplified by a carefully prepared table of the nental Europe, just published by the state department. The statistics are brought down to the present time. In France over one and a third per cent. of the population are in the 483 men. In the event of war this force would be increased to three and a third per cent., including 1,280,000 mon, and in case of argent need nearly 600,000 more could be forced into the ranks. Over a quarter of the revenue of All able-bodied men are liable to serve five years, and may serve fifteen years more. Germany's peace force is 427,274 men, and she can put 2;000,000 into the field. One per cent, of Drankards and those who Self them Liquor, not to Mayo Christian Burlad. her population are always under arms. About sthird of her revenue is spent in the inilitary called into service at twenty, but the liability extends from seventeen to forty-two. Russin has a peace establishment of 715,000 men. She to describe the first and the state of the state and will be applied also to persons who sell liquer to drunkards and contary to the laws of the state. pesce establishment of 715,000 men. She can raise, including the army in the Cancassa, 425,000 or over 4 per cent, of the population. Her ordinary expenses for the military are nearly a third of her total revenue. The liability to serve is for six years in the regular army and fourteen in the reserves. Austria keeps 252,535 men in the field during peace, about sixty-seven one-hundreths of 1 per cent. She can raise 800,000 mere for war. About one-seventh of her revenue is spent on the army. There is universal liability to service for three years active service, and for six or seven times that amount of time in the reserves. Italy's army has about the same proportion to the population as that of Austria. It keeps 202,271 men in its peace velichment, and about one-eighth of her revenue.

We have several inquiries as to the meaning OF EGON STATISTICS FOR 1881-2. of "court in bane." fo quently alinded to in Conferences. An exact and comprehensive definition is furnished by Hon. Lawrence Wolder, who, eiting legal authority extrains that the arction; phrase in baseo an at some-

yearty increasing number of Kansas people bishop Purcell and the late Father J. Purcell. among the inimigrants to Oregon and Wash- met in Cincinnati recently to hear the report ington. A Dailes paper is earnestly at work to prove that the charges are less for carrying grain upon "well-conducted eastern railways" than upon railroads in Oregon which as yet do not atanding armies of ave of the powers of conti-exist. A great doal of labor is employed in demonstration of this proposition.

the showing in the debt statement for January army on its peace footing, which includes 498f that there is as much as \$13,920,000 26 in unredeemed bonds now outstanding on which interest has ceased since maturity.

Most impertinent and contemptible is a suggestion by the Polaris that the public should have some "inside statistics" from St. Vincent's the republic is annually expended on the army. hospital conducted by the good sisters of char-

BISHOP WIGGER'S BULE.

ishment, and about one-eighth of her revenue is devoted to its maintenance. When the above facts and figures are taken into account, it is far from surprising that the immigration fever rages.

A chiese and reading room has been started at Forest tirote. The fown hall has been rented and will be upon day and evenue. A number of periodicals have been sent for, and it is proposed to make the resulting motor a success. A committee has been rages.

THE SECTION OF THE STATE OF THE

BY: Francisco Constitution of the constitution Kabaghusaberkasbarkash MANAGER ESTRESSEES FEET FEET

ASSESSED TO THE STATE OF THE ST 1. R. P. Earhart, accretary of state of the state of Oregon, do hereby certify that the foregoing is correctly complied from the records on the in my office, in witness whereas I have hereanto set my band and affixed the great seal of the state of Oregon.

WISE AND OTHERWISE.

Thirteen daily political newspapers are published in Paris, of which the total circulation is over 1,000. "Isn't your bushaud a little bald?" asked one lady of another in a store recently. "There isn't a ball hair in his head," was the heaty reply of the wife, The small boy said to the little girl; "Do

A Dutchman says that his neighbors are " to verst "Give me the band that will never deceive me, said a young Chicago sprig in the presence of some young lades. A young lady remarked, "I guess straight flush is about the kind of a hand you want." wraight num is about the kind of a handyou want."

Wishing to pay his friend a compliment, a gentleman remarked: "I hear you have a very industrious wife." "Yes," replied the friend with a melancholy smile; "she is never idle. She siways finds
comething for me to do."

"What," asks an excited correspondent in lows,
"will stand out more prominently in the history of
the year 1880 than the fact that 60,000,000 free people "Have you seen my daughter's baby?" inquired a and grandmother of a friend. "Oh, yes—but it is

I., with a tose of her head. MEETING NOTICES.

NEWS NOTES FROM ALHANY. [REGULAR CORRESPONDENCE OF THE OREGONIAN.]

Alliany, Feb. 18.
This is a bright, clear morning, but the mercury s lower down than at any previous ilme this winter. A brilliant little daughter of Mr. G. W. Burkhart, aged six years, died on Thursday last after a few days of illness from diplatherla. Interesting revival meetings are held nightly at the Evangelical Church, Rev. J. Hollenbaugh pas-tor, Rev. Mesers. Bitner, Bawersox and others are expected to render aid. The city has been thoroughly canvassed by com-mittees of the Lion county Bibbs Society. Very few families or individuals were found destitute of the hible, and all are now supposed to be supplied. So many cases of serious sickness have occurred of late in Albany, that public attention has been called to the imperfect drainage of surface water which exists. The city is upon a high bank of the river, and there is no possible excuse for permitting attauling water any where within the city limits. The Ladies Aid Society of Albany is made up of indy members from all the churches, and performs valuable work annually in siding the sick and needy. To gather funds to early out their object, the holdes gave a supper on Tuesday evening last. Total receipts, \$145.

A number of the older ministers of the city met at the residence of Rev. S. G. Irvine, D. D., on Thurs-day last. Rev. R. C. Hill of the Espiist Church was day last. Rev. R. C. Hill of the Baptist Church was the eldest present. In: Hill came to Oregen in 1830, and preached the first sermon ever delivered is Albany. Dr. Irrine came in 1851, along with Rev. T. H. Pearne, and has been passes of the U. P. Church for nearly thirty years.

The Ladies Christian Temperance Union is workling quietly but efficiently in bringing about a bealthful public sentiment in favor of total about need. These ladies have temperance columns in all the city papers, and are planning for avecageing The Ladies' Christian Temperance Union is working quietly but efficiently in bringing about a beatiful public sentiment in favor of total about neuco. These ladies have temperance columns in all the city papers, and are plauning for successful open temperance meetings, the first to be held Friday evening, March 3d. Eminent speakers from abroad are expected to be present.

SALMON CANNERIES OF BEITISH CO. LUMMIA. Victoria Colonist.

Very extensive preparations are being made for the approaching season, both on the Fraser and on the north coast. Among the new establishments on Fraser river is that of the British America Packing Company, which will be located lower down Cancel pass than that of Adair & Coa. It is intended that this shall be as large and well equipped a cannery as any is the province. The proprietors have had great experience in the husiness. Two steam relots and two chair soldering machines are in course of construction at the Abbina foundry in this city. They will make ready for 20,000 cases. The British Columbia Packing Company, under new proprietors, are also making extensive improvements, in view of next season's work. All the canneries are increasing their facilities for work by putting in new plant, such as new coldering machines, etc., and are making great preparations for the approaching catch. Another large company is in course of formation on the Fraser next summer. The list will be as follows: I there will be at least nine and probably ten first class establishments on the Fraser next summer. The list will be as follows: Haigh & Bon, on the Coquittam; Luddiaw & Co., on the Brunnette at Sapperton; Ewen & Co., in New Westminster city; English & Co., opposite, near Brown's landing; on the same side of the river the B. D. Packing Co. Poits Canning Co., Adair & Co., Cance Pass, and the new B. A. Packing Co. Findlay, Durham & Rosolie's rannery is on Deas' Island, just above the delts. Three new companies are activoly engaged in making preparations for catching flat on the rorthern coast. Among the most oxtensive image of making preparations for catching flat on the rorthern coast. Among the most oxtensive engaged in making preparations for catching proved modern appliances. This establishment is located on the mainland, not far from Queen Charlotte Sound. A carch of at large 4000 cases is anticipated. On the Mass there will be located another new canning establishment called the Douglas Packing Compa Victoria Colonist

ace waiting anxiously for more rain.

The Junction City mills are running day and night, turning out 110 harrels of flour a day, and have ground since the 1st of September 100,000 have ground since the 1st of September 100,000 hushels of wheat. The capacity of the mill will be doubled the couldn't easier, and the machinery will be improved so that it will grade second to non-in the state in the quality of flour. none in the assic in the quality of flour.

The following are the losses reported from the fire at Cottage trave on the 15th inst: E. W. Whipple & Bro.'s warehouse and grain cleaner, \$.600, insurance \$1000; Lurch Bros.' warehouse at large in the large, \$.2004, insurance \$100; Farmers & Lurch Bros.' warehouse, \$2200, insurance \$100; Lurch Bros. 'warehouse, \$2200, insurance \$1100; Lurch Bros. 'warehouse, \$2200, insurance \$1100; Lurch Bros. 'warehouse, \$200 housels wheat, fully insured. About 5000 housels of wirest belonging to different parties was burnt, upon which there was no insurance.

Washington Territory. Levi E. Whelden, long a resident of Scattle, died at the home of his daughter in that city on the 15th, aged 84 years. Geo. W. Jeffreys of Tumwater was adjudyed insane last week and sent to the asylum at Stellacoom. He is but 17 years old.

Last June a man named Nothern, living on the Lass June a man named Nother, living on the Statop, in Chebais county, was severely injured by the failing of a tree, and his neighbors furnished his large and destitute family with provisions, labor and money. Of the latter was \$100 to pay for his land, which belonged to the Northern Pacine. On receiving the payment and learning the gircunstances, the company promptly returned one half of the sum.

the sum.

Writsburg is soon to have a new jail. The building, which is rapidly nearing completion, as a wooden structure told feet by ten feet high. From the rear end two cells are cut off, each being say feet and built of 256 finch busterial taid upon side and thoroughly spiked together, making a wall six inches spart and reaching livough several thicknesses of timber. Each cell has a grate window and a heavy grate door.

Roy, A. R. Elder died at his home in filympla on a heavy grate door.

Now, A. R. Elder died at his home in Olympia on the 13th that. He had been confined to his home for a long time, gradually growing weaker, until death cusued. Mr. Elder was about 75 years of age. He came to Oregon at an early day, and had been a resident of Olympia and vicinity for many years. He was Indian agent for that district for several years, which business was always conducted satisfactorily to the government. Mr. Elder was also a minister of the Christian or Campbellite church, and as long as he was able conducted the services in his deconsination. He leaves a large family of sons and daughters, who are living in various places in Washington and Oregon. Among the latter are Mrs. Alto S. Watt of Forcet deferee and Mrs. Alters Mrs. Alters for the conduction of the services in Washington and Oregon.

or untreton county.

On Friday list the longing team of Dan Longfel-low, at North bay in Mason county; met with a bad accident. On the longing road, track and cars were used, drawn by a five-ox team. In going over a rise of ground the cars, containing a load of piles, could, not be controlled on account of the snow and ice and ran on to the oxen. The driver in attempting to loosen the oxen from the rars fell with footh le-

Remebody notes that love is more interesting than marriage, for the same reason that remance is more entiring than history.

Women

Who want glossy, luxuriant and wavy tresses of abundant, beautifu Hair must use LYON'S KATHATRON. This elegant, cheap article always makes the Hair grow freely and fast, keeps it from falling out, arrests and cures grayness, removes dandruff and itching, makes the Hair strong, giving it a curling tendency and keeping it in any desired position. Bean-Uful, healthy Hair is the sure result of using Kathairon.

TO TOP OFF A DINNER.

May be Drank Clear, as a Cordial. For a dinner thorough yappointed, the good old way was to wash down the last triumphs of the feast with copious libations of rich, rare and curious old Port and Golden Saerry; but "HUB PUNCH" has added a new sensation to the epicure. Its delicacy, aroma, flavor, and delicious, but gentle effects, proclaim it the nectar fit for the gods banqueting on Olympus.

Mix HUB PUNCH with Ice Water, Cold Tea, Lomeande, or Soda. It is unanimently presented partialled. TESTIMONIALS.

"A sip is like nectar." - Boston Cou "Delicious beyond description."—Boton Franceipt.
"Added to the cond things of the table it enlarges the descurse of life and encourages good followship and conductor if rightly enjoyed."—Springstell Englishican. "Invaluable for a little treat when a friend dropsin."
New York Eccurion Park "It is a great fromble to make Punch, and many peo-ple look the surely rates to brew it. Hat Punch is in-dispensable wherever known."—Spirit of the Times, N. F. "The increasing popularity of Hub Punch is please estimony to your success in using the last and pur-omponents." PARE & TILFURD, New York. "Our nocessin selling Rull Punch has surprised us, we having sold within the past three months a larger quasialterna sone withour the paralling in twelve."

the Russian government counted for this upon M BeChandary, who was named as the successor of Goreral Chandery, but Gambetta having fallen, Ohandery will probably not govern some soways Count Kattorky, who fearing a withdrawal on the part of the Russian government, engaged by him, as he was minister at fit. Petersburg, to allow Austria to grab Bosnia. He they probounced the discourse to the Russian delegation already published, as simply a public reminder of the arrangements agreed on. The Russian government, like an experiment legacy that so play the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the Advistor which the blooms of the foothold on the case of the foothold on the Advistor which the blooms of the foothold on the despite of the purpose of secompanying his contact to see as often as possible the new minister of foreign affairs. M. De Freyclint, with whom he is on excellent terms, You are the foothold on the foothold on the factor of the foothold on the foothold on the purpose of the foothold on the second of the foothold on the foothold o ansare, M. De Preycinst, with whom he is on excel-lent tegme, So, the creats softment of the Russian, government is this: though despising M. Gambetta personally, it was interested in seeing him at the read of anders, not doubting that it would, so far as Germany was concerned, have evidences of his sym-pathy. THEATRICAL NOTES. New Your, February 18.—The theatrical world is without meticolar freature this week. The wea her has been favorable and attendance good at all houses. Lawrence Barrett impersonated King Arthur in the postio tragedy entitled "Pendragan" at the Fifth avenue Monday night before a brilliant audience, and it is fair to

aught before a brittant antience, and it is fair to easy the pigs will draw, prosperous run.

Denman Thompson, in "Joshua Whitcomb," is at the Grand Opera pouse. McKee Rankin and sylfe, in "49," at the Windson, and the Union Square company, in "Celebrated Gase," at Niblo's, "Squarters" at Comique, and "Camorald" at Madison Square.

The B-vice Ideal Company is at Booth's, and all doing a fae Dusinies. dolog a fine fusiness.

Pauline Maylel, of Emma Abbott's opera company, fied recently in Boston. She was married a year ago to Sevaro Strint, who is now singing at San Francisco. Charley Backus of the San Francisco minstrels is Charley Backus of the San Francisco minstrels is seriously ill of pneumonia.

Madison Square proprietors will come put on the road the Hazel Kirk company to play in German.

Mark Hughes, the variety actor who recently recovered front smallpox, died in Chicago from heart disease.

John E. Owens has been engaged to play "Rogers" in "Emerada," by the Mailson Squaro Theater, to go on the road next season.

Frank L. Gardner, manager of the Legion of Honor Company, has had so offer from a New York manager to play has icompany in this city at an early date. early date. Eric Hayley's combination, with Leater Wallack is "Colonal," opened at Haverly's Brooklyn the ster on the 27th. Annie Pixley produced her new play in New Oreans last Thursday, and it met with good success. Harry Pitt, leading man in "Odette" at Daly's, is seriously iii.

"The Royal Middy" will be produced at the Bijon Monday by the Emily Mellville company.

Bartley Campbell's new melodrama, "Write Slave," is completed and will be preduced at a leading inetropolitan theater early next season. Managers who have heard if read pronounce it the strongest work Cambbell has aver written.

Managers who have neared it read pronounce if the strongest work Campbell has ever written.

It is said that the firm of Poole & Donnelly will be dissolved at the end of this season, and that the Grand Opera House will pass into the hands of new management. According to rumor Poole offered \$20,000 for the threater in the name of the firm, and subsequently made an offer of \$30,000 individually. This is said to be the cause of dissolution. They have been very interpretate sings they have been described in the little. have been very prospersous since they took hold of the Grand Opera, House, and a number of man-agers are endeavorates. agers are endeavoring to get, possession, includ-ing Haverly, Sheridan Shook and Kirally. PACIFIC COAST NEWS.

O'Connur's Mission. San Filanciaro, Feb. 18 - Hon, T. P. O'Connor, M. P. has returned from San Jose, where he has been taboring for the frish cause. He expresses himself highly pleased with the progress of the cause in the constant of the same on the coast. He has been instrumental in raising about \$40,000 as the coast since his arrival. He will deliver a Gratian generated with the reference. deliver a Grattan centennial address at the Metrooffan Temple on Wednesday. Beath of a Ploneer. Benth of a Pioneer.

be presented with such bill, a copy of such written authority."

Admitting the truth of the answer, as the demurrer does, it does not distinctly appear from the statement of the account by the aud-

did not have place. Count Katnofky, formerly ambassador to linesia and included minister of foreign attains to Austria almost simultaneously with M. Gambetts's accoptance of office in Franco carried from St. Potoraburg a programme in which the foreign attains to Austria almost simultaneously with M. Gambetts's accoptance of office in Franco carried from St. Potoraburg a programme in which the direction of the secretary as in the noward the freedy have the paper of papers in which the publication spaner or papers in which the publication spaner or papers in which the publication stands the have keep that his presence at the holm ment deer made. Nother can the objection be, that the order under which the defendant claims to have really keep that his presence at the holm ment deer which the defendant claims to have really such that his would increase opportunities for the agreement of Russian government counted for this upon M. Bechandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of General Chandry, who was manued as the successor of the successor of the successor of General Chandry, who was manued as the successor of or has been suggested to the authority to publish, is, that it did not "come" from the head of the department—the secretary of the of the deparament—eng secretary of the interior—but only the commissioner of Indian affairs by whom it was signed. The secretary of the interior is charged with the "supervision of public business" relating to the Indians (§ 141 R, S.) In the depirtmont of the interior there is a commissione of Indian affairs, who "shall, uniter the direct tion of the secretary of the interior, and agreeably to such regulations as the president may prescribe, have the management of all Indian affairs, and of all metters

> through the commissioner.
>
> Was it necessar, also for the secretary sign the order, as well as direct commissioner to make it? I think The statute does not in terms require that he should, nor does the nature of the busi-ness or the relations between the parties make it necessary. The commissioner, as to Indian affairs, is the deputy or representative of the secretary, and the lawful channel of communication with Indian superintendents and agents.
> Upon the authority of his office and as the representative of the secretary, he informed the defendant that by the direction of that official he was authorized to publish the advertisement in the newspapers come from the head of the department and it
